Bali Fahnen - Beach Flags - Wedding-Flags

Umbul - Umbul is a dragon's tail in Balinese

These wonderful coloured Flags have come to us from Bali to decorate our gardens, entrance, beaches, sale counters, schools, Party's and Church entrance for wedding events.

Where they are used for pleasure or for publicity, they bring lots of colour fun and movement in to our daily life.

Spain is a sun and beach country and specially privileged to be able to decorate with our lovely Bali-Flags. The Bali Flags movement in the wind is pleasure to the eyes for all of us.

We sell Bali Flags, which are produced in Bali and are directly import.
